Hit ADD MEMBER button, search on name or email, select person, view team

The image shows a multi-step process for adding a member to a group. It features three main components:

- Add Group Member Search Modal:** A search interface with fields for 'First Name' (containing 'sue') and 'Last Name', and an 'Email' field. It includes 'SEARCH' and 'CLOSE' buttons.
- Add Group Member Selection Modal:** A modal titled 'Add Group Member' with the instruction 'Select members to add to this group.' It contains a table with columns for 'Person', 'Event', and 'Additional Info'. Two members are listed: Sue Shee and Sue Barroo, both associated with the '15K' event. The 'Sue Barroo' row is selected with a radio button. Below the table are 'ADD MEMBERS', 'BACK', and 'CLOSE' buttons.
- Group Details Page:** A page for 'A Womans Team' with various settings and a list of members. It includes a 'Join & Share' section, a 'Race Group Details' section, and a 'Race Group Administrators' section.

Key actions and elements are highlighted with green boxes and blue arrows:

- A blue arrow points from the 'SEARCH' button in the first modal to the 'ADD MEMBERS' button in the second modal.
- A blue arrow points from the 'ADD MEMBERS' button in the second modal to the 'ADD MEMBER' button at the bottom of the page.
- Green boxes highlight the 'JOIN BOILERMAKER CORPORATE CUP TEAM' button, the 'ADD ADMINISTRATOR' button, and the 'ADD MEMBER' button.
- Other buttons like 'UPDATE INFORMATION', 'SOCIAL SETTINGS', and 'DELETE' are also visible.
